

Westlea Primary School PE and Sports Grant 2021-22

Our PE and Sports grant for the academic year 2021-22 is **£18,000**. The Premium will be used to fund additional sustainable improvements to the provision of PE and sport to encourage the development of healthy, active lifestyles.

The Department for Education's vision for the Primary PE and Sports grant is that ALL pupils leaving primary school should be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

We endeavour to see an improvement against the following 5 key indicators-

1. The engagement of all pupils in regular physical activity- the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broad experience of a range of sport and activities offered to all pupils.
5. Increased participation in competitive sport.

The following plan shows how the premium is being allocated in our school:

Monitoring

In order to increase provision we are to renew our Sports Partnership to a higher level- Silver which increases the amount of sporting opportunities.

We are to have Play Leaders training next year in order to further increase physical activity across the day, for our Active 30.

Year 5 have been focused on this year for swimming and this will increase their levels of achievement for Year 6.

Swimming

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving primary school.	49% (reduced swimming sessions over time due to COVID restrictions)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	38% (reduced swimming sessions over time due to COVID restrictions)
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	41% (reduced swimming sessions over time due to COVID restrictions)
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Due to continued COVID restrictions, this has not occurred but will be tried next year.
