Dear Parents,

It's lovely to see the children return from the summer break and to see how well they have settled into their new classes. Our new pupils in Nursery and Reception have been given a warm welcome. Westlea Primary prides itself on being a welcoming school so please call in to the school office should you need anything.

We have lots of clubs and events planned this term, including a health and wellbeing week starting October 21st where we will wear sports kit all week and our annual anti-bullying week - this year's theme is choose respect.

Congratulations to our newly elected school councillors, they will do a fine job representing our school. Well done to all that stood in the election. I am very proud of you all,

Mrs Scothern
