- Working Together to Safeguard Children: A Guide to Inter-agency Working to Safeguard and Promote the Welfare of Children

We have a statutory duty to safeguard and promote the welfare of children as described in section 175 of the Education Act 2002 and that we have due regard to the guidance 'Keep Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE)' as the safety and protection of children is of paramount importance to everyone in this school.

Safeguarding and promoting the welfare of children is best defined as: 'protecting children from maltreatment; preventing impairment of children's health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes'. (Keep Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE))

We believe that all children have the right to be safe in our society. Therefore, we recognise that we have a duty to ensure arrangements are in place for safeguarding and promoting the welfare of children. We believe it is essential to have in place exceptional school security systems to prevent pupils going missing from the school or when they are on an educational visit. The welfare of all of our pupils is our principal responsibility with all school personnel ensuring the safety of pupils at all times.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views. We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.
