

Rights Respecting Schools Newsletter - Spring 2026

We have recruited a new member!

Welcome to our Rights Respecting Steering group Miss Baker.

New Certificate Design

Following our whole school competition to design a new certificate, a final choice was made.

Overview of rights

We have worked together to create an overview of children's rights to ensure they link to current themes and events throughout the year. One right is celebrated each week in Celebration assembly.

Badges

The rights respecting school members have got a badge to represent our school and for the school children to know they are the RRS.

Coming soon...

Rights carousel

We are planning to invite parents/carers, governors and adults from our school community to a Rights Respecting School carousel.

The aim will be to share our understanding of children's rights and to ensure our whole school community have an understanding of children's rights.
